

5 Easy Steps to Your Loan

The following is a checklist for each step of the process to obtain financing for your equipment purchase. We strive to make this process as quick and easy as possible.

1. ____ **Application:** Complete, sign, and submit the Credit Application. Once we have a fully completed and signed application we generally can get back to you within a few business hours.
 - a. If you selected Pre-Approval in the application you are done until you find the equipment you are looking for and we will get back to you on the Pre-Approval.
 - b. If you selected Loan Approval, once you receive approval, we move on to step two.

2. ____ **Verification:** Once approved, you can tell your dealer that you have already made arrangements for financing, and you will forward a copy of your signed purchase agreement from the dealership to us to verify the transaction details, serial numbers, etc.

3. ____ **Document Delivery:** We will deliver your loan documents to you via secure email, or US Mail. If you request overnight delivery via a carrier such as FedEx, those charges will be added to your loan amount.

4. ____ **Execute Documents:** You will return the signed documents to us. All documents must be signed appropriately to move on to step 5.

5. ____ **Disburse Funds:** We will disburse the loan amount to the dealer in the form of a Cashier's Check.
